-

Greetings All:

Rob Kast succumbed to a 2-year battle with cancer on March 15, 2007. He left behind wife Jen, and children Sydney, 3 and Austin, 5. Rob was an alumnus of Sun Prairie High School and UW-Madison. Rob was a computer geek, golfer, musician, Wisconsin sports enthusiast and gourmet chef. He touched many people with his varied endeavors.

We have set up the Kast Children College Fund and are using the Rob Kast Memorial Ring of Fire Golf Outing as the principal fundraiser. The event will be a yearly celebration of Rob's life and offer continued support for his family. **All proceeds will go directly to the Kast Children College Fund.**

We welcome you to participate in the golf event. Please sign up your foursome and spread the word to other friends and family. There are planned hole events and many prizes. In addition, a raffle drawing will be held at the conclusion of the day's activities. Non golfers/family members are welcome to purchase raffle tickets and enjoy the event. See you on June 13th!
