Dear RP Adlers League Player,

It's that time of year again- Golf Season! I would like to thank you for your support and for choosing Deer Valley as your league home last year and we look forward to serving you in 2010. I would like to take this time to thank you for your support and business and how much I appreciate you coming back to DV last year! A very special thanks to Randy for his donations to league prizes- and to Dennis Wood for creating additional events. As a "thanks" to all of you, please find a specially priced promo round coupon on the sign-up sheet for some practice before league starts.

The Deer Valley staff will again keep all points and tabulate weekly results. It is, however, your responsibility to post your round of golf for your handicap- please post all rounds that you play, not just league rounds. Posting all of your rounds will ensure equity and fairness and it is a requirement for league. As in the past, you can find your league standings on our website: [www.deervalleygolf.com](http://www.deervalleygolf.com).

The format will remain the same with points being awarded for low net on a weekly basis. Points will be given out 1<sup>st</sup>-4<sup>th</sup> and ties each getting full points for their position. The fee for sign-up is unchanged and is outlined in the information sheet- there are no increases in the cost of golf or cart for league players. Anyone who holds a Deer Valley Membership will not pay any green fees for the league season. Please consider our club events that are open to members, associate members, and full time league players with a DV WSGA Handicap- they are there for you!

**The first official night of league and points will be April 15<sup>th</sup> and a practice round is available April 8<sup>th</sup>. Tee-times will again be reserved starting at 3:30.** There will be 20 weeks of points and the 21<sup>st</sup> week (September 2nd) will be the league finale.

As far as the course goes, we are excited for 2010! With The Valley Course maturing, redone tee boxes on the original 18 (#7 - back, #11 white, #14 forward, #17 forward), and a new and upgraded pump house I am looking forward to a great year. I am also happy to report that all 27 holes will have yardages on all sprinkler heads (to front, middle and back of the green) to make it even more player friendly. We do hope to use the Valley 9 for some league play this year, dependent on the desire of the players and the ability of young grass to hold up to heavier play. You will also notice from our new scorecards and our website, we have named each 9 for simplicity: The original front is now the Ridge Course, the original back is now the Prairie Course, and the newest addition is the Valley Course.

I look forward to seeing all of you again, you all have played an important role in the growth of Deer Valley G.C. and we greatly appreciate it! If you know of any players who are interested in league, or know past players who have not given me their address, please have them contact me for materials. Thank you again for your past and continued support of Deer Valley Golf Course. Feel free to contact me with any questions, comments, or concerns.

Sincerely,

Todd A. King
