April 1, 2009

Dear Ladies League Player,

I would like to thank you for your support and for choosing Deer Valley as your league home in 2008 and we look forward to serving you in 2009. League players at Deer Valley are not only appreciated, they are our most important customers! Please find a specially priced promo round coupon on the sign-up sheet for some practice before league starts.

League this year will be 16 scheduled weeks beginning on May 6th and running through August 19th. The 19th is the last official night and we play a scramble (best shot) event. The League Meeting will be held on April 22nd at 7:00 p.m. in The Rusty Nail Saloon in The Deer Valley Lodge- it is a new bar area located between the hotel lobby and water park. At that time we will discuss league business and enjoy some appetizers courtesy of **Deer Valley Golf**. I encourage you to attend the league meeting, at the meeting you will be able to tell us which types of weekly events you may like to add or change. We will also discuss the Monday Night Ladies League that was new in 2008 and entertain any questions, and comments you may have on it. To make the entire evening an EVENT, I will again be providing a **free golf clinic on the range at Deer Valley Golf Course from 5:30-6:30** before the meeting and I will talk about the golf swing and provide instruction. Please come with game or rules questions!

We are again asking for a payment of \$15 with your sign-up, this \$15 will cover food and prizes for your final night. WSGA Handicaps will be again be required for the Club Championship in 2008. WSGA Handicaps are included with unlimited memberships, and for all Deer Valley League players the service is offered at a discount (\$25), instead of the \$55 an Associate Membership would cost. If this is something you are interested in, we are happy to get you all set up on the handicap computer.

2009 will see the opening of the Valley Nine. Larger greens, flat landing areas, and visually stunning views highlight this par 35 layout. Our goal is to be playing it by summer, but we will be careful not to open it until it is ready. In the future we fully expect to bring it into the league play rotation. On another note, I am very fortunate to have a very talented staff returning for 2009. I know they work hard to provide you with a high level of service and try to provide you with a pleasurable experience every time you visit Deer Valley. I want to thank all of you for making Deer Valley a pleasant place to work for them.

I look forward to seeing all of you again, you all have played an important role in the growth of Deer Valley G.C. and we greatly appreciate it! If you know of any players who are interested in league, or know past players who have not given me their address, please have them contact me for materials

Thank you again for your past and continued support!

Sincerely,

Todd A. King
