Dear Ladies League Player,

It's that time of year again- Golf Season! I would like to thank you for your support and for choosing Deer Valley as your league home last year and we look forward to serving you in 2010. League players at Deer Valley are not only appreciated, they are our most important customers! Please find a specially priced promo round coupon on the sign-up sheet for some practice before league starts.

I have had some ladies mention playing a longer season so we are scheduling 18 weeks this year starting on May 5<sup>th</sup> and ending Sept. 1- as with all of our leagues, please feel free to continue after Sept. 1 as we will continue to reserve tee times and run events. Sept. 1<sup>st</sup> will be the official finale with a scramble (best-shot) event. The League Meeting will again be held on April 21st at 6:30 p.m in The Rusty Nail Saloon in The Deer Valley Lodge- located between the hotel lobby and water park. At that time we will discuss league business and enjoy some appetizers courtesy of **Deer Valley Golf**. I encourage you to attend the league meeting, at the meeting you will be able to tell us which types of weekly events you may like to add or change. To make the entire evening an EVENT, I will again be providing a **free golf clinic on the range at Deer Valley Golf Course from 5:00-6:00** before the meeting and I will talk about the golf swing and provide instruction. Please come with game or rules questions!

We are again asking for a payment of \$15 with your sign-up, this \$15 will cover food and prizes for your final night. WSGA Handicaps will be again be required for the Club Championship in 2010. WSGA Handicaps are included with unlimited memberships, and for all Deer Valley League players the service is offered at a discount (\$25), instead of the \$55 an Associate Membership would cost. If this is something you are interested in, we are happy to get you all set up on the handicap computer.

As far as the course goes, we are excited for 2010! With The Valley Course maturing, redone tee boxes on the original 18 (#7 -back, #11 white, #14 forward, #17 forward), and a new and upgraded pump house I am looking forward to a great year. I am also happy to report that all 27 holes will have yardages on all sprinkler heads (to front, middle and back of the green) to make it even more player friendly. We do hope to use the Valley 9 for some league play this year, dependent on the desire of the players and the ability of young grass to hold up to heavier play. You will also notice from our new scorecards and our website, we have named each 9 for simplicity: The original front is now the Ridge Course, the original back is now the Prairie Course, and the newest addition is the Valley Course.

I look forward to seeing all of you again, you all have played an important role in the growth of Deer Valley G.C. and we greatly appreciate it! If you know of any players who are interested in league, or know past players who have not given me their address, please have them contact me for materials. Thank you again for your past and continued support of Deer Valley Golf Course. Feel free to contact me with any questions, comments, or concerns.

Sincerely,

Todd A. King
