March 2021

Dear Whitetail League Player,

2020 was quite a challenge but I am proud that we made it through the season without any shutdowns due to Covid and no staff were infected, that couldn't have happened without your help and cooperation- Thank You! As in past years I am including a free round of 9 or 18 holes for the price of a cart rate for you valid through the end of April on the bottom of the sign-up page - just a "Thank You" for playing league at Deer Valley.

I am hoping that the majority of the country is vaccinated by summer, but I expect to start the season the same way we ended, with our Covid Restrictions in place (cart sanitizing, no bar seating and limited capacity in the clubhouse). I expect these restrictions to evolve/improve throughout the season. In order to make leagues work again, we won't be able to accommodate single rider carts due to the volume of players. Prepaying for league will again be required to avoid crowding at check in.

Total sign-up cost for 18 weeks of league, cart and prizes is \$513. We are also offering the option for 2 payments. The first payment of \$279 (walking is \$189) is **due by April 21st** and the 2nd payment of \$234 (walking is \$144) is **due by June 16th** (we will charge your card on file). Should we have any rainouts the first half of the season, the 2nd payment will be reduced accordingly. If you pay in full and there are rainout(s), you will receive credit on your account. You may also use your golf and cart credit from rainouts in 2020 toward this year's league fees. **Full, senior and weekday members subtract the green fee and cart portion** and pay \$45.

If you will or will not be returning to play in league this year, please let me know. I ask that you call or e-mail your desire to play or decline as soon as possible on or before Friday March 17th.

For League, Deer Valley will again do all average keeping, standings, scorecards, and match handicapping- you just need to show up and play golf! **WSGA computerized handicap service will again be offered to full time players for \$30.** As in the past, you can find league standings, schedules and averages on our website: www.deervalleygolf.com and we will continue to e-mail weekly updates.

Memberships are always valid for league play. Please see the following page for a breakdown so you can decide if it is worthwhile for you. If a membership would not be worthwhile, you may want to consider an **Associate Membership** for 2021! For \$130+tx you receive 2 free 18 hole rounds with cart (\$96 value), WSGA Handicap (\$30 value), a 20 range token package (\$50 value) and discounted golf (\$30 for 18 & cart and \$20 for 9 & cart on weekdays and \$35 for 18 & cart and \$25 for 9 & cart on weekends and holidays- discounted rate excludes outings & league play).

2021 Whitetail Golf League

- DATES** 18 consecutive Wednesdays beginning April 28th and ending August 25th.
- FORMAT** This league will consist of 2-man teams. Teams will play match play against each other consisting of two separate individual matches where the two higher average players compete against each other and the two lower average players compete against each other-The top point winning team at the end is the League Champion. **Subs are solely the player's responsibility. No shows are responsible for their league fee.**
- POINTS** There is a 9 point system per match. 1 point will be awarded for each hole won (tied holes will give each player ½ point) Matches will be handicapped based on 80% of the stroke differential between opponents but the total stroke points will be based on full average.
18 possible points per team per night
- AVERAGES** Players will begin the season where their average was at the end of last year. New players will start by setting average while playing, or use a valid SUB average or other league average from Deer Valley from last season. Averages throughout the season will only be based on your last 4 rounds with previous scores eliminated.
- NO SHOWS** If a player does not get a sub and does not show, they will be charged for that league fee the following week and his opponent will play against the absentee's average plus 10%. **E.g.** The no show's average is 40 and the opponent's average is 40. The opponent will play the no show even but the no show will post a score of 44(+10%) with an extra shot added on the 4 toughest holes giving the person who shows up a distinct advantage but no "free" points. **The NO SHOW will get 0 points. Please keep in mind that if you don't show, and don't get a sub you are affecting all other league players due to teams getting points they may not have otherwise.**
