March 2022

Dear Whitetail League Player,

I hope your winter was as good as could be expected, I'm finding the cold to become more of a challenge each year but warm weather and golf are right around the corner! As in past years I am including a free round of 9 or 18 holes for the price of a cart rate for you valid through April 26th on the bottom of the sign-up page - just a "Thank You" for playing league at Deer Valley.

I am thankful that the 2021 season transitioned closer to "normal" but as I'm sure you know, the work force has not. As golf has increased, our pool of available staff has not and the pressure of less staff serving more players is real. Prepaying for league will again be required as this allows us to streamline the weekly league nights and provide better service in the golf shop and the bar. We had 16 teams last year and this year we are looking to get to 18 teams, that would get us 17 weeks of matches and the final night would be a scramble with your partner.

Total sign-up cost for 18 weeks of league, cart and prizes is \$513 (walking is \$333) and is unchanged from 2021. Should you need to, we are offering the option for 2 payments. The first payment of \$279 is **due by April 20th** and the 2nd payment of \$234 is **due June 15th**, to qualify for the split payments, we will need to have a valid credit card on file so we can charge it on June 15th in advance of league that night. Should we have any rainouts the first half of the season, the 2nd payment will be reduced accordingly. If you pay in full and there are rainout(s), you will receive credit on your account. You may also use your golf and cart credit from rainouts in 2021 toward this year's league fees. **Full, senior and weekday members with cart, please subtract the green fee and cart portion** and pay \$45 for prizes.

If you will or will not be returning to play in league this year, please let me know. I ask that you call or e-mail your desire to play or decline as soon as possible on or before Wednesday March 16th.

For League, Deer Valley will again do all average keeping, standings, scorecards, and match handicapping- you just need to show up and play golf! **WSGA computerized handicap service will again be offered to full time players for \$30.** As in the past, you can find league standings, schedules and averages on our website: www.deervalleygolf.com and we will continue to e-mail weekly updates.

Memberships are always valid for league play. Please see the following page for a breakdown so you can decide if it is worthwhile for you. If a membership would not be worthwhile, you may want to consider an **Associate Membership** for 2021! For \$130+tx you receive 2 free 18 hole rounds with cart (\$96 value), WSGA Handicap (\$30 value), a 20 range token package (\$50 value) and discounted golf (\$30 for 18 & cart and \$20 for 9 & cart on weekdays and \$35 for 18 & cart and \$25 for 9 & cart on weekends and holidays- discounted rate excludes outings & league play).

2022 Whitetail Golf League

- DATES** 18 consecutive Wednesdays beginning April 27th and ending August 24th.
- FORMAT** This league will consist of 2-man teams. Teams will play match play against each other consisting of two separate individual matches where the two higher average players compete against each other and the two lower average players compete against each other-The top point winning team at the end is the League Champion. **Subs are solely the player's responsibility.**
- POINTS** There is a 9 point system per match. 1 point will be awarded for each hole won (tied holes will give each player ½ point) Matches will be handicapped based on 80% of the stroke differential between opponents but the total stroke points will be based on full average.
18 possible points per team per night
- AVERAGES** Players will begin the season where their average was at the end of last year. New players will start by setting average while playing, or use a valid SUB average or other league average from Deer Valley from last season. Averages throughout the season will only be based on your last 4 rounds with previous scores eliminated.
- NO SHOWS** If a player does not get a sub and does not show, his opponent will play against the absentee's average plus 10%. **E.g.** The no show's average is 40 and the opponent's average is 40. The opponent will play the no show even but the no show will post a score of 44(+10%) with an extra shot added on the 4 toughest holes giving the person who shows up a distinct advantage but no "free" points. **The NO SHOW will get 0 points.** Please keep in mind that if you don't show, and don't get a sub you are affecting all other league players due to teams getting points they may not have otherwise.
