March 2026

Dear RP Adlers League Player,

Happy Spring (almost)! I hope you survived winter well. Personally, I had a new hip installed in November so I'm excited to not limp every day and play more than 29 hole rounds in a season as I did in 2025.

The Deer Valley staff will again keep all points and tabulate weekly results and league continue using a rolling 4 week average as opposed to using a WSGA Handicap. A WSGA Handicap is still available for \$32 but it won't be used for league. The format will remain the same with points being awarded for low net (most under average) on a weekly basis. Points will be given out 1st-4th and ties each getting full points for their position. The fee for sign-up will only be the \$25 for league prizes.

Memberships are always valid for league play. Please see the following page for a breakdown so you can decide if it is worthwhile for you. If a membership would not be worthwhile, you may want to consider an **Associate Membership** for 2026! For \$150+tx you receive 2 free 18 hole rounds with cart (\$116 value), WSGA Handicap (\$32 value), a 20 range token package (\$70 value) and discounted golf (\$32 for 18 & cart and \$21 for 9 & cart Mon-Thur and \$39 for 18 & cart and \$25 for 9 and cart Fri-Sun & Holidays - discounted rate excludes outings & league play).

The first official night of league and points will be April 23rd. Tee-times will again be reserved starting at 3:30 and the last group must tee off no later than 4:15. With 18 weeks of points, and the final fun night (August 27th) there will be 19 official weeks of play. Many league players like to play 18 holes on league day, which is great! Just a friendly reminder, please be courteous of players making the turn when you are looking to start on #10, 18 hole players always have the right of way. It is perfectly fine to play your league 9 as your first 9 when playing 18 holes if league is on the front- in fact it will help us greatly. This league has expanded to the point that it is possible we could have space issues if the entire league teed off between 3:30-4:15 on one of the 9s.

Deer Valley will be hosting a Taylormade Fitting Event on Wednesday April 22nd from 12-5. If you are interested in being professionally fit, please e-mail me at tking@deervalleygolf.com to make an appointment with a fitter. As always, you are welcome to come give the new equipment a try without an appointment.

Thank you again for your past and continued support of Deer Valley Golf Course. Feel free to contact me with any questions, comments, or concerns.

See the last page of this packet for Hole in 1 Club info. The last one made was on 9/18/25 by Tyler Peterson. If you are not sure if you are in, just ask!

Sincerely,
